If you are a primary care physician and wish to have DLO serve your Aetna HMO patients, please contact your Aetna provider relations representative and request an HMO Laboratory Designation Form. This must be submitted to Aetna before using DLO. Specialist physicians may use the lab without first contacting Aetna. DLO has an exclusive contract with LabOne/LabCard in Oklahoma. If you have any questions regarding Diagnostic Laboratory of Oklahoma's participation with a specific product or health plan, please contact us at (405) 608-6100 or (800) 891-2917, Option #5.
