

# Helping insured patients get quality testing at lower costs

## UnitedHealthcare members are getting a stronger network.

Beginning January 1, 2019, Quest Diagnostics will be in-network with UnitedHealthcare (UHC) across all geographies, in addition to our current in-network status with UnitedHealthcare in certain markets. Additionally, we currently accept UHC as an out-of-network provider, and significant discounts may apply through complementary networks.

## Payer List
