

QNatal[®] Advanced

Noninvasive Prenatal Screening

Give your patients access to the testing they need with our flexible financial options

Is your patient

^a Individual health plans vary greatly in coverage of medical services. A patient's out-of-pocket responsibility is governed by her benefit design and may be as low as \$0. Quest Diagnostics cannot guarantee costs of services; the patient should consult her insurance company directly for the most accurate information relative to her individual coverage.

^b Alternative UPP pricing is available in Florida, New Hampshire, Massachusetts, Maine, Rhode Island, Vermont, and Texas.

Supplemental Financial Assistance Program (SFAP)

Are your patients eligible for no-fee or reduced-fee? Quest Diagnostics offers flexible and easy-to-use financial assistance for both insured and underinsured patients.

Depending on the number of people in the household and the total household income, patients may be eligible to receive testing and **pay no fee (\$0) or pay a reduced fee no greater than \$200.**

See abbreviated chart below.

Income requirements for eligibility (48 contiguous states and Wash DC)		
People in household	\$0 if HHI ^c is less than:	Max \$200 if HHI ^c is within:
2	\$17,240	\$17,240 - \$68,960
3	\$21,720	\$21,720 - \$86,880
4	\$26,200	\$26,200 - \$104,800

^c For illustrative purposes only.

See complete chart at QuestDiagnostics.com/home/about/corporate-citizenship/community-giving/assistance/qnatal-financial-assistance.html

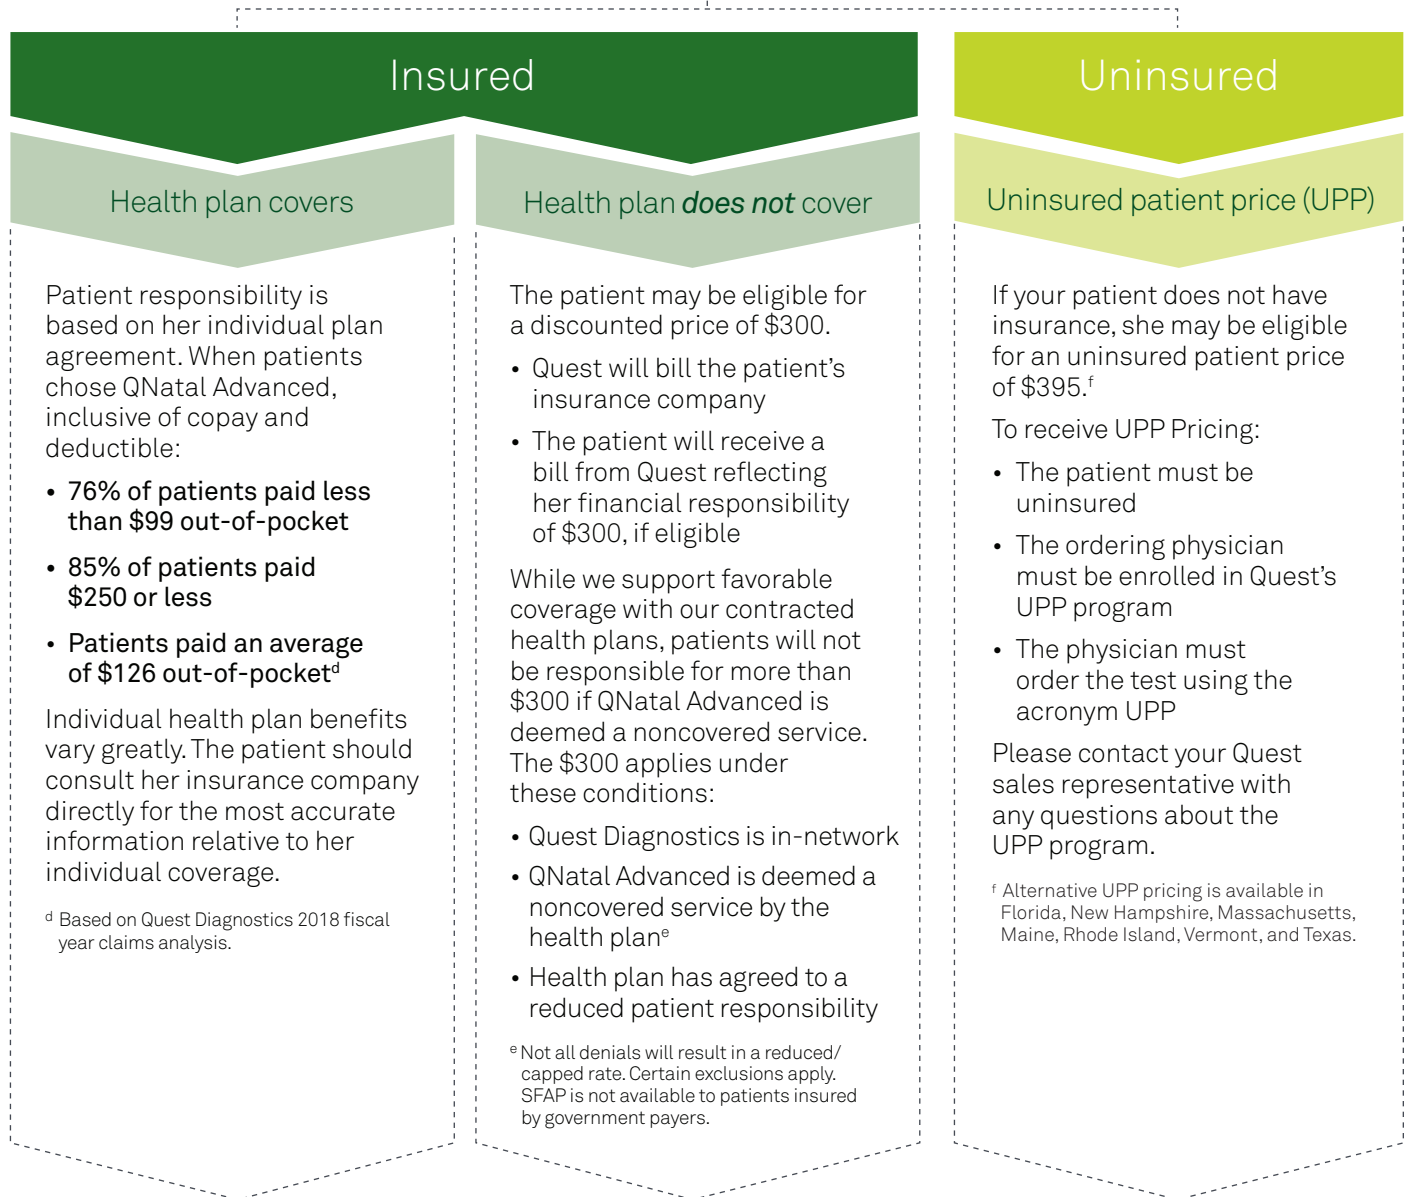

To apply for the Supplemental Financial Assistance Program:

- A patient must receive a bill for QNatal Advanced
- Upon receipt of a bill from Quest, the patient should mail an SFAP application and proof of household income to the address on her bill
- If the application is approved, the patient will receive an adjusted bill, depending on eligibility
- For more information and to download an application, please visit: QuestDiagnostics.com/FinancialAssistance

Flexible financial options

to give her access to testing she needs

Is your patient

The QNatal® Advanced Cost Estimator is available and designed to provide an estimate of a woman's out-of-pocket costs for her prenatal screening test. To access the Estimator, visit [MyNIPTCost.com](https://www.questdiagnostics.com/MyNIPTCost)*

To download our financial assistance information for your patients, visit [QuestDiagnostics.com/FinancialAssistance](https://www.questdiagnostics.com/FinancialAssistance)

For clinical consultation on test selection, or results interpretation, please contact our Genetics and Genomics Clients Services team at **1.866.GENE.INFO (1.866.436.3463)**.

*Please do not rely upon the estimated costs. The information is not intended to be a contract for the actual cost that patients may need to pay.

Quest Diagnostics reserves the right to cancel or modify this program and special pricing at any time without notice.
