

CPT® Code changes for 2026

December 1, 2025

Dear Valued Client:

The American Medical Association (AMA) has made Current Procedural Terminology CPT® code changes to the 2026 edition of the CPT.

Quest Diagnostics will be implementing these changes effective January 1, 2026. Overall, the changes for 2026 AMA CPT coding affect the way we bill some of our tests. These tests may also be included in panels or profiles. The chart below lists some of the tests affected and the appropriate CPT code changes. Please refer to the Quest Test Directory for further detail on reflexing information.

This information can also be found on our website at <https://www.questdiagnostics.com/healthcare-professionals/billing-coding>
