Dear Dr. Briones Torres:

I have completed my review of the findings from the College of American Pathologists (CAP) inspection of your laboratory conducted on October 7, 2021 by Carlos F. Garcia, MD.

Review of the following deficiencies demonstrated that the laboratory was in compliance prior to the inspection. The following items have been removed from the final list of deficiencies: COM.04300, HEM.34600, GEN.77200, GEN.55450, GEN.60150, GEN.41350

I recommend accreditation for your laboratory.

Congratulations on the excellent services that your laboratory is providing for your community and the efforts that you have made towards accreditation. We value your participation in the CAP's Accreditation Programs.

Sincerely,

C. Robert Baisden, M.D.
