If you provide products or services to Quest Diagnostics in direct support of a federal government contract, you shall determine which of the clauses below apply based upon (i) the type of products or services provided, (ii) the dollar value of your agreement, (iii) the location where the products or services will be supplied, (iv) whether you meet certain eligibility requirements (*e.g.*, small business concern), and (v) the applicable federal agency. The effective version of the clause shall be that in effect as of the date: (i) of your agreement; or (ii) an order is placed. If you become non-compliant with any clause below, you agree to promptly notify Quest Diagnostics. The list below may be updated; an update may require you to provide representation(s) or certification(s). To determine the currently applicable clauses, you are responsible for periodically checking this link.
